Chaperones must be at least 19 years old and must be six or more years older than the oldest child/youth to be supervised. We recommend that appropriate screening measures be used for anyone who will be responsible for or have access to campers. *At no time should any of your staff or adults be alone with a camper.*

We ask that there always be chaperones present during all activities. These chaperones are responsible for supporting the Camp Lee program staff, maintaining the Camp Lee rules, and guiding the campers from one activity to the next. We ask that all groups maintain the following chaperone ratios while at Camp Lee:

- 9-14 years old children – 1 chaperone for every 5 campers.
- 15-19 years old youth – 1 chaperone for every 8 campers.

There must be two adult chaperones present in sleeping quarters when campers are present.

Respect Camp Lee Property

We ask that you and your campers respect Camp Lee property. This includes all buildings, equipment, nature, and wildlife that reside at Camp Lee.

- Pick up all rubbish that your group may have and put it in the appropriate trash can/recycling bin around camp property.
- Clean up your lodging prior to leaving camp. Sweep and vacuum the space and make sure that all trash has been placed in a bag and all trash bags are placed outside the front door of the building.
- Be kind to the wildlife. There are many wild animals that call Camp Lee home, and we want to be good stewards of them. Please do not allow your campers to chase and play with any of the animals.
- If you place any signs or decorations around camp, please make sure they are taken down prior to your departure. Please do not use nails, staples, or glue of any kind to hang signs or decorations on camp property. If you need assistance hanging a sign, please notify a member of Camp Lee's staff.

Failure to follow these rules may result in a damages fee. Breakage and damage to any equipment/facilities must be reimbursed at the replacement price.
